Ningde Amperex Technology Limited Co., Ltd. (ATL) is a high-tech enterprise dedicated to the researching and development, producing and marketing of rechargeable lithium-ion batteries. The polymer lithium-ion battery sales rank first in the world.

CATL was founded in Ningde, which is reflected in its Chinese name ("Ningde era"). The company started as a spin-off of Amperex Technology Limited (ATL), a previous business founded by Robin Zeng in 1999. ATL initially manufactured lithium-polymer batteries based on licensed technology but later developed more reliable battery designs themselves.

Products. The ATL Li-ion battery product family includes high energy density, high power, fast charge and arbitrary-shaped cells and so on. To cope with or even lead the market demand, we have developed various types of li-ion battery cells to meet the needs of many different consumer electronics devices.
