Vatican City imports nearly all goods and services due to its limited size and resources. There are no industrial zones or facilities for setting up large-scale manufacturing plants. If you intend to manufacture goods (e.g., religious items, art, or specialized equipment), it's more practical to establish your operations in Italy and work as ...

The Holy See owns most of the land in Vatican City, and the Vatican City State governs the use of this land. This means that buying real estate in Vatican City can be complicated and is subject to strict regulations. One of the main challenges of buying real estate in Vatican City is that there is a limited amount of property available.
