Arise solar have offered no compensation to offset my electricity bill. The customer service I have received is nothing less than terrible and I suggest that if you are looking for solar, pay a bit extra and get it elsewhere.

The customer service is horrible and I stress that you do not use Arise Solar. Date of experience: 28 September 2023

CEC (Clean Energy Council) Accredited Installers are professionals accredited by the Clean Energy Council to design and install solar power systems. This accreditation ensures that they have passed rigorous tests and are trusted by the council.
