

faithful yada YADA was established in 1993, after 30 years of continuous cultivation and exploration, gradually improve the manufacturing capacity of the whole industry chain from primary manufacturing to quaternary manufacturing, and become a leader in integrated solutions for green marine pipeline equipment, achieving mutual benefits for all ...

With the vision of becoming the leader of green marine pipeline equipment integration solutions, in order to maximize customer benefits, YADA is committed to developing upmarket equipment manufacture industry, focusing on providing integrated solutions for advanced ships, marine engineering and clean energy, as well as cost-effective modular ...

German subsidiary: YADA Green Energy Solutions GmbH(Hamburg) Address: Rudolf Diesel Str. 16. 22941 Bargtheide, Germany. Email: wzt@cnyada lbj@china-yada . Overseas website: <https://global.cnyada> . Contact: +86 188 5831 5643

YADA and MAN Cryo reached global strategic cooperation agreement based on dual fuel supply system for marine projects, which covers LNG, methanol, ammonia, hydrogen, etc., providing customers with the full life cycle services of basic design, detailed design, analysis & simulation, production design, manufacturing, installation and ...

YADA's fabrication strength is evident in its 100,000m2 manufacturing centre, where significant investments have been made, including equipment required for custom-designed products. Facts & Figures Company: YADA GREEN ENERGY SOLUTIONS CO., LTD. Established: 1993 Headquarter: Jiaying City, China

YADA has obtained "continuous vacuum insulation double-wall pipe production and installation process" and other dozens of double-wall pipe related patents, posses complete independent intellectual property rights.

The Leader of Green Ship Pipeline Equipment Integration Solutions. Yada Green Energy Solutions Co., Ltd. was established in 1993, provides full lifecycle services to customers from principle design, Stress analysis, detail design, components manufacturing, spool prefabrication, skids integration, installation, safety monitoring, operation and ...

yada green energy solution co., ltd. Focusing on stainless steel pipeline system and integrated solutions, covers the whole process from raw material to detail design, manufacturing, installation and maintenance, YADA provides pipeline system related comprehensive services to global customers in marine engineering, energy and chemical industry.
