Bahrain resident here. Queries about going to the Bahrain GP Bahraingp is legit. Make sure you buy asap because tickets get sold out very fast. We bought ours as early as September last year if I remember correctly. T1 is a great choice for a grandstand, the higher the better too. Best hotel options are in Manama.

Recognised as one of the largest exhibition venues in the Middle East, Bahrain International Circuit's outstanding facilities reflect the diverse nature and edgy style of the kingdom. No matter what type of event or activity you have in mind, Bahrain International Circuit is ready to cater to your needs and help you achieve your goals.

The Go Power! 1500 watt Industrial Pure Sine Wave Inverter is ideal for large loads, like a microwave or other medium-sized electronics. A strong performer for larger loads that demand a clean, pure source of AC power, the GP-ISW1500 is a good choice for powering appliances, electronic equipment like TVs, stereos, computers, or as a source of emergency backup power.
