By investing in appropriate backup systems such as UPS, generators, solar power systems, or battery storage, Uganda can overcome the challenges posed by unreliable power grids. For reliable power backup solutions in Uganda, contact Easy Power Company at +256-789-931735 .

Intelligent BMS - Soleil Power designs the intelligent battery management system embedded in all our energy storage products. This design allows cell level monitoring, protection, and control which ensures optimum battery performance. IoT Integration - Most products come standard with IoT integration. With this, key battery data is sent to ...

Leading solar and heavy duty battery company in East Africa. Battery World was registered in Uganda in 2010 and incorporated to a limited company in 2016. Battery World Ltd core business is Solar systems installation, Backup systems installation, Solar Water Heating, Street lighting, automotive batteries and Wind energy systems installations.

Batteries supplied are of the deep-cycle long life type and the inverters provide automatic regulation to prevent over-charge and over-discharge. Systems are also provided complete with connecting cabling between the inverter and battery pack and expert selection advice is available to assist with sizing and installation.
