

## Can Peru develop a battery industry?

“We are already starting to act to see if we can develop a battery industry,” said Jaime Chavez, Peru's vice minister of mines, at the Perumin mining industry conference. Peru is the world's No. 2 copper producer and an attractive destination for global miners.

## Who is battery systems?

Battery Systems Home &#160; &#160; Battery Systems Inc. Has been providing comprehensive power solutions since 1975. &#160;Our systems integrators will engineer, furnish and install quality products for your specific power needs.

## Does Peru produce lithium batteries?

“We have a lot of reserves and we think this is an opportunity and a challenge to carry out (lithium) extraction and value-added production,” Chavez said. To be sure, Peru currently produces no lithium and no country in Latin America produces lithium batteries at a commercial scale even if they do mine lithium.

## How do I contact battery Systems Inc?
