The 2022-23 Benin Premier League was a top-flight football league in Benin. 36 teams took part in a multi-stage championship: a 16-match regular season followed by a championship round and two regional relegation rounds. Coton were crowned champions and received 10 million in prize money. In the north group, &#201;nergie FC were relegated with six points. In the south group, Calavi-based ...

The top football division in Benin is known as the Benin Premier League, or Championnat National du B&#233;nin in French. It was inaugurated in 1969 and currently features a format where 36 clubs are initially divided into 4 groups of 9 clubs each. The bottom 5 teams from each group move on to the relega...
