Conyers is a leading international law firm with a broad client base including FTSE 100 and Fortune 500 companies, international finance houses and asset managers. The firm advises on Bermuda, British Virgin Islands and Cayman Islands laws, from offices in those jurisdictions and in the key financial centres of Hong Kong, London and Singapore.

ATEC BVI facilitates the transition to renewable energy in the British Virgin Islands and the wider Caribbean region. We are local leaders and pioneers in the development of the micro-grid energy production field.

In November 2018, the BVI brought into force Renewable Energy Regulations made under a 2015 amendment to the British Virgin Islands Electricity Corporation Act. The BVI is well positioned to generate several forms of renewable energy--wind, solar and hydro energy being the most obvious.
