We specialize in the construction of photovoltaic systems for business, home and solar power plants. We provide reliable and cost-effective solutions for the use of renewable energy for the needs of our customers in Bulgaria and the European Union. We are your trusted partner for turnkey solar systems projects at all sizes.

Solar installation, Aytos Solar power in Bulgaria has expanded by 100 megawatts (MW) in 2011. A 16.2 MW solar power plant in Zdravetz, Bulgaria was expected to be completed in June 2012, with power being sold for \$0.30/kWh in a fixed rate 20 year power purchase agreement. [4]Since then, however, new installations have nearly come to a halt with only about 12 MW of ...

The first one is located in Aytos near the Black Sea Coast. The latter, near Plovdiv, is operated by Austria-based Enery. Separately, SENS LSG has just finished a solar power plant of 66 MW in peak capacity in Dalgo Pole in the Plovdiv area. It means the project that is underway is set to add up to 12% to Bulgaria's installed solar power ...

Better Solar Tomorrow is your trusted provider of affordable solar panel installation & battery storage services in Atlanta, GA. Contact us today! Skip to Content Check Out our Seasonal Promotions! 678-532-1000; menu. Services. ...

HIG Service Ltd is a Bulgarian company . with significant experience in photovoltaics, both in Bulgaria and abroad. We offer design, construction and maintenance . of solar installations for photovoltaic parks, industrial applications and private projects.

This surge is attributed to a flurry of major solar facilities being commissioned, with more projects in the pipeline. Over the past two years, Bulgaria has doubled its combined nameplate size of solar power installations, exceeding 2.4 GW. This summer saw a peak in new additions, reshaping the country's solar energy landscape.

Bulgaria has the potential to deploy 200 MW of solar capacity on building roofs across the country in the next few years, the managing director of the Sustainable Energy Development Agency (SEDA) said on Tuesday.

Solaris Holding, a joint venture between German solar developer Sunotec and Eurohold Bulgaria, has officially commissioned a hybrid solar power plant located near Pernik. This facility features a 32 MW solar power generation capacity paired with a 61 MWh energy storage system. Constructed on the site of a former steel mill landfill, the power plant spans 31 ...
