

## Can the living room storage cabinet be placed on top of the refrigerator

How to make the most of your fridge cabinets and storage space?

Here are some ideas that will help you make the most of your above fridge cabinets and storage space. If you're an avid cookbook user, then storing them away either on top of your fridge, like in this picture, or stacked in a cabinet is a great way to utilize the space over your fridge while still having easy access to your cookbooks.

Should you put cabinets above a fridge?

The wall space above the fridge can be awkward if there is a void. The solution is to put a set of cabinets that gives the area a visual presence that ties in with the other kitchen cabinets and provides the kitchen with the appearance of more storage space.

Is the overhead cabinet above a fridge a good space?

The overhead cabinet above the fridge can be challenging to access. It often gets blocked by items on top, so putting anything in the space seems like more trouble than it's worth sometimes. On the other hand, it is storage space and should be utilized.

Is an above fridge cabinet unusable?

The awkward space above a refrigerator is far from being unusable space. An above fridge cabinet is a great way to add extra room for storage in your kitchen.

Should you leave open space on top of a fridge?

The open space on top of a fridge is a point of debate. Some people prefer to leave the space open for a clean look, while others prefer to use all the available space in their kitchens. Most times, the top of the fridge is cluttered with items that won't fit in the cabinets.

Can you put items on a refrigerator?

Some homes have extra deep cabinets that extend out to 24 inches to cover the entire top of the refrigerator, giving you more hidden storage space and makes it much easier to reach the cabinet doors. However, it doesn't allow you to put items on the fridge, which gives a neater look to your kitchen space.
