

Can you store clothes without a dresser?

If you're transforming your bedroom into a stylish and minimalist refuge, consider swapping out your old dresser for a new clothes storage system. While dressers are functional, they can sometimes be eyesores, but it's entirely possible to store clothes without a dresser (or closet).

What happens if you put clothes in storage for a long term?

Even if an item of clothing has only been worn once, small amounts of sweat and oil will still be present. Over time, the oil and sweat can cause staining and mold growth while sitting in storage. Wash, dry, and fold all your clothes that you plan to store long term. Yes, we mean all of them!

What are Lockers made of?

You can find lockers made from wood, wire, canvas and other materials to match your home's aesthetic. Lockers come in a spectrum of colors, or you can DIY paint or stencil your own custom creation. The locker shape and size can also vary, from tall and skinny to short and wide or rounded.

How do you use wood lockers?

Use wood lockers in laundry rooms, pool houses, garages and studios to enhance the cozy appeal. Horizontal wooden bench lockers lined up in an entryway or hallway make for charming seating and storage. For a focal point, build a towering wall of vertical wood lockers.

What is the best material for a warehouse locker?

For an industrial warehouse look, brick is a bold locker material choice. Build lockers using exposed brick, or attach brick veneer panels to create the look. Brick instantly gives lockers a gritty, urban feel. To soften the rough edges, add wood trim and shelves.

How do you make a custom locker art?

Use paint pens and sharpies to hand draw your own abstract shapes, patterns and doodles. Stencils and vinyl decals also work for those not artistically inclined. Custom locker art is great for kids' rooms, classrooms and youth areas. Let your locker art reflect their personality with fun themes like space, animals or music.
