

What is a 550-watt solar panel?

This 550W solar panel is an high-poweredoption for generating maximum power from limited roof space. - It's an economical long-term investment for utility-scale systems,solar power plants,and residential and commercial applications.

Who is Canadian Solar?

Canadian Solar was recognized as the No. 1 module supplier for quality and performance/price ratio in the IHS Module Customer Insight Survey,and is a leading PV pro-ject developer and manufacturer of solar modules,with over 50 GW deployed around the world since 2001. Nominal Opt. Opt. Open Short Max.

Is Canadian Solar a good company?

As one of the world's top five manufacturers,Canadian Solar is making a real difference by delivering more clean,safe and affordable solar energy to the world. Its industry-leading products include high-efficiency solar cells,solar modules,solar power systems and off-grid solar power application solutions.

Where are Canadian Solar solar modules manufactured?

Thanks to its successful business subsidiaries across six continents and state-of-the-art manufacturing facilities in Canada,China,Brazil and South East Asian countries,Canadian Solar has delivered more than 33 GW of premium-quality solar modules to customers in over 150 countries.

Does Canadian Solar offer a warranty?

Ever since its inception,Canadian Solar has been dedicated to changing the lives of all of its customers for the better. Its PV panels have been thoroughly tested and proven under harsh conditions,allowing the manufacturer to offer a 25-year warrantywith confidence.

What is a Canadian Solar mono panel?

The Canadian Solar mono panel is a high-efficiency module designed for residential and commercial solar systems. The panel has a power output of 550watts,which means it can generate a large amount of electricity from a relatively small surface area.

The Canadian Solar mono panel is a high-efficiency module designed for residential and commercial solar systems. The panel has a power output of 550watts, which means it can generate a large amount of electricity from a ...

Sol&#225;rny panel Canadian Solar HiKu6 Mono PERC CS6W-550MS je vyroben&#253; z vysoko kvalitn&#253;ch materi&#225;lov. CanadianSolar HiKu6 m&#225; 25 rocn&#250; z&#225;ruku na line&#225;rny v&#253;kon a 12-rocn&#250; z&#225;ruku na ...
