

Who is DSG power systems?

DSG Power Systems is your go-to for diesel parts and service. Whether you're running a Super Duty truck, a CATERPILLAR bulldozer, or anything in between, our expertise ensures top-notch support. We're known for our reliable diesel engine services in Saskatoon, catering to diverse industries with precision and care.

What is DSG fuel science?

DSG Fuel Science combines 21st century knowledge with 3rd generation technology. Smart operators, who understand modern diesel issues, demand the best performance and cost effective solutions, know the importance of using fuel additives.

Does DSG offer winter diesel additive?

Our 4+ winter diesel additive supplier solutions are designed to prevent fuel gelling and enhance cold weather performance. Trust DSG for the best diesel treatment for winter in Canada, keeping your engines running reliably through the coldest months. Combat freezing temperatures with DSG's specialized shop cold weather diesel additive.

Does DSG thaw diesel fuel?

When winter strikes hard, rely on DSG's 4-diesel-melt to thaw and prevent frozen diesel fuel issues. This specialized additive ensures your equipment stays operational, minimizing downtime and maximizing productivity during the toughest weather conditions. Gets you running in twenty minutes or less.

We provide high quality and innovative solutions to the mechanical and electrical power industry while developing lasting relationships and trust with our customers. Our History DSG Power Systems began in 1983, as a re-builder and re-manufacturer of diesel fuel injection components.
