

Who is **Ciro Energy Group**?

Get all the information about **Ciro Energy Group,LLC (Ciro Energy Group)**,a company operating mainly in the Electric Power sector. Connect with its key contacts,projects,shareholders,related news and more. The company has operations in Puerto Rico,which include Electric Power Producer.

What makes **Ciro** one unique?

Its unique technology and designmake **Ciro One** the first of its kind. The BESS integrates a lithium-titanate oxide (LTO) battery,which delivers higher cycling power and lower degradation than more commonly used lithium iron phosphate technology (LFP). Using LTO ensures a warranted system life to full 25 years,compared to only 20 years for LFP.

Can agrovoltaics be used in **Ciro one**?

Because of the island's size and limited available land,solar systems that blend energy production with agricultural needs are preferred. As a pilot site for agrovoltaics,**Ciro One** will use one of the PV arrays for demonstration and scalability for future implementation,and use sheep to manage fast growing vegetation.
