

What is Cobblestone Energy?

Cobblestone Energy is an independent trading firm. Founded in 2017, it is part of the next generation of companies defining the future of global commodity trading. Although it has experienced strong growth, Cobblestone Energy is still near the start of its journey and has ambitions to go further.

Where does cobblestone trade gas?

We trade wholesale gas on all major European hubs, optimizing physical gas flows via our storage and transportation portfolio. Cobblestone has leveraged its extensive quantitative and analytical approaches gathered from long dating power experience to build and run a physical gas portfolio consisting of storage and pipelines.

How does cobblestone work?

Cobblestone has leveraged its extensive quantitative and analytical approaches gathered from long dating power experience to build and run a physical gas portfolio consisting of storage and pipelines. Moreover, by forecasting supply and demand, we trade in major wholesale European gas markets to offset grid imbalances.

How did cobblestone expand its target markets?

With our specialized trading teams, we expanded our target markets to other European countries. We also formally established our Cobblestone Foundation in Uganda, in an effort to nurture the global communities from which Cobblestone's people come.

What is cobblestone foundation?

We also formally established our Cobblestone Foundation in Uganda, in an effort to nurture the global communities from which Cobblestone's people come. We piloted a unique graduate hiring programme and welcomed many different nationalities every month, ending the year with 40 full-time employees.

Why should you join cobblestone?

At Cobblestone, we are committed to providing a working environment that fosters mental, social, and physical well-being. When you join us, you will embark on a rewarding journey with challenging work and exciting perks that will keep you hooked!

If you're thinking of applying to Cobblestone Energy, let me tell you upfront: be prepared for disappointment. You will likely face disqualification without any explanation, regardless of how well you perform in the interviews. They may keep you "on hold," but don't get your hopes up--stay tuned for the unexpected dismissal.
