

Are Cola solar a good company?

Cola Solar had good reviews, they were prompt and professional so we decided to choose them. We had a fantastic experience with Cola Solar and I would highly recommend them to family and friends Sarah Rowan from Victoria I was impressed with the Customer service from start to finish, and also after-sales help.

Who is Cola solar?

Cola Solar is a family owned business servicing homes and businesses throughout Central Victoria which includes Bendigo, Ballarat, Shepparton, Echuca, Horsham and all the smaller towns. We work with you from design to installation in order to develop an affordable renewable energy plan which best suits your budget and energy needs.

Should I use Cola solar?

If your thinking about solar, call Cola Solar, you won't be disappointed. Patricia Rainbow from Victoria Cola Solar made the process so easy, couldn't be happier with the service we received from admin to installation. Installation guys turned up on time and got straight into it.

What is the optimal share of solar power in Ukraine?

Based on techno-economic modelling, we have determined the optimal share of solar power for the period 2027-30. The results show that 9.2 GW of solar generation capacity can be integrated into the Ukrainian electricity system by 2027 and up to 14 GW by 2030.

Why did you choose Cola solar?

Show details We chose Bendigo based Cola Solar because they promised to be more customer focused than the mega-energy companies. The purchase and installation process was excellent. They were prompt & efficient. After the last payment was made however they became somewhat more difficult to deal with.

What's it like working with Cola solar?

Jeff Halacas from Victoria I'd like to pass on to the whole Cola Solar team it has been great doing business with you guys. Communication has been great right through the process. The work the guys did was Fantastic. The shop site is hard work in with a lot of traffic and your team worked great and very considerate of our busy little premises.

This Cola Solar review is for a solar company based in East Bendigo who has been installing solar panels since 2009. Solar Proof has created this page to help solar consumers to identify customers and offer an avenue for past customers to leave reviews revealing their experiences. This is not an endorsement of their products and/or services.
