

What is a Cooper power reclining sofa?

Available in two color choices, the Cooper power reclining sofa is upholstered in top-grain leather for exceptional beauty and durability. This overstuffed sofa has two power recliners and is also available as a smaller-sized loveseat with two power recliners or as a stationary model.

Are La-Z-Boy reclining sofas comfortable?

La-Z-boy reclining sofas raise the bar on comfort by letting you raise your feet. Lean back in one of our reclining couches and you'll never relax the same way again. Enjoy the ultimate in comfort with power sofas that offer smooth, effortless reclining at the touch of a button.

What makes a reclining sofa a good choice?

Sitting comfort: Unique overstuffed plaid backrest to provide soft and stable support for your back, generously padded armrests and widened seat provide unparalleled comfort in any position. Smooth curves and plush lines add sumptuous contemporary style to the Reclining Sofa with Headrest and Lumbar.

How do I choose a La-Z-Boy sleeper sofa?

Choose from three different models that give you the option to independently move the back and legrest or recline just inches from a wall. You can also upgrade your experience and add a power-tilt headrest, power lumbar and a hand-held remote. La-Z-Boy sleeper sofas maximize your space and make guests feel right at home.

Why should you buy a La-Z-Boy sofa?

No home is complete without a sofa. Whether your style is modern, sophisticated or all about home-entertainment, the sofa you choose defines your space. That's why La-Z-Boy offers sofa sets in so many shapes, styles and sizes. Not to mention over 900 fabric and leather choices that let you customize every detail.

What is a Lennon Wall reclining sofa?

The Lennon Wall Reclining Sofa offers bold, contemporary style with tall backs, track arms and smoothly contoured comfort. Side handles allow you to raise the legrests and recline the backs on either end. And you can put it mere inches from a wall. All products are hand crafted, which may result in slight variances to dimensions shown.
