

# Disputes over installing photovoltaic panels

How do I file a lawsuit against a solar energy company?

This can include documents such as your solar energy contract, photographs of any damage, correspondence with the solar company, and any other relevant information. While you may be able to handle a small claim on your own, it's generally advisable to hire a lawyer who specializes in solar energy litigation.

Can I sue a solar company?

If your solar company fails to properly install the system or causes damage during the installation process, you may be able to take legal action to seek compensation for repairs or other damages. If you find yourself in a situation where you believe suing your solar company is necessary, there are a few key steps you'll need to take:

Are there any problems with solar panels?

A few of the problems we've seen come up repeatedly in solar lawsuits are below. Many companies that install solar panels promise they'll maintain them or repair them, often for extremely long periods of time (up to twenty years).

Can I sue a solar company for misrepresentation?

If so, you may be able to sue them for misrepresentation or fraud. This can include exaggerating the energy savings or making false promises about system performance. In some cases, the installation of a solar system can cause damage to your property.

How do HOAs regulate solar panels?

Each state has its own set of laws regarding solar access, which can influence how HOAs govern solar panel installations. For instance, some states have "solar easement provisions" that limit the ability of HOAs to restrict solar installations outright. Federal laws also play a role, particularly through policies that encourage renewable energy.

Can a solar system cause damage to your property?

In some cases, the installation of a solar system can cause damage to your property. If your solar company fails to properly install the system or causes damage during the installation process, you may be able to take legal action to seek compensation for repairs or other damages.
