

MGM Resorts is committed to fostering an inclusive and diverse culture, not just among employees and guests but also within its supply chain. The company prioritizes procuring goods and services from businesses owned by minorities, women, veterans, people with disabilities, LGBTQ individuals and those facing economic disadvantages.

Driven by both market and policy factors, the growth of energy storage is expected to be explosive, creating a strong demand for the industry's supply chain. Once again, the China Electricity Council and the State Grid Corporation of China will collaborate to host Shanghai International Energy Storage Technology Application Expo (ES Shanghai 2025).
