Distribution Presently we run our activities for not only importing power equipments, cable and connectors, water and electrical ... LTD Building, 20th khoroo, Peace Avenue, Bayangol district, Ulaanbaatar city, Mongolia +976-70008383 : 9666-9420, 9666-9400 +976-70008383 ... Energytech LLC ...

B& A Energy LLC was established in 2019 and 100% Mongolian-invested company. We are supplying well-known, superb-quality electrical materials, tools, and equipment to Mongolian mining companies and Government organizations of Mongolia.

Speaking is Minister of Energy N.Tavinbekh, "ZTT 200 MWh high-capacity rechargeable storage grid is a much-needed technology for Mongolia's energy system that has never been seen before, this project can supply up to 80 MW of electricity to the integrated grid during peak loads and reduce Mongolia's reliance on imported energy";.

We are committed to conducting the Relay Protection, automation and SCADA tasks in accordance with IEC 61850, IEC 60870, IEC 62351, IEC 61970, IEC 61334, and International Electro-technical Commission. Installed 110/10/6kW independent arc protection at South substation for the first time in Mongolian Energy System

"Electro Engineering" LLC was established in 2015 and we are working with Sharp Energy Solution Corporation (SESJ) since 2018, with investment from SESJ and Mongolia shareholders.

Electro-power-cell Energy Technology is a pioneering force in the zero carbon system integration sector, dedicated to advancing carbon and hydrogen technology as a clean, efficient, and sustainable power solution. Our expertise lies in integrating green hydrogen with traditional chemical process.

Addressing these gaps innovatively, Electro Power Solution (EPS) has emerged as a powerhouse of MEP consultancy spearheaded by third-generation leaders. Although EPS was established in 2019, its foundation was laid in 1960 making an infant with more than 6 decades of experience.
