E-Mail Kontakt. Website; LinkedIn; News. Electrochaea und EIC beschleunigen Roll-Out der biologischen  
Methanisierungstechnologie. 15.04.2021 News

Electrochaea, the world's leading technology provider for the production of carbon-neutral and fossil-free  
synthetic biomethane, today announced that it has entered a Cooperative Research and Development  
Agreement (CRADA) with the Lawrence Livermore National Laboratory (LLNL) and SoCalGas. ...  
Electrochaea GmbH Semmelweisstrasse 3 ...

Electrochaea has developed a commercially viable and disruptive solution for utilityscale energy storage, grid  
balancing, and carbon reuse. Their proprietary process converts low-cost and stranded electricity and carbon  
dioxide into pipeline-grade renewable gas.

Das M&#252;nchner Startup Electrochaea hat eine neuartige Power-to-Gas Technologie zur  
Energiespeicherung auf Netzebene entwickelt. Das offizielle Startup-Portal f&#252;r M&#252;nchen ...  
Electrochaea GmbH Semmelweisstrasse 3 82152 Planegg. Letzte Beteiligung. Jan 2022. Startup bearbeiten.  
Funding. Funding rounds. Date Investors Amount Round; Feb 2018: ...

The cleantech start-up Electrochaea has successfully closed a Series A venture round and is receiving several  
million Euros for further developing its power-to-gas technology and for financing the future growth of the  
company. ... Electrochaea GmbH Semmelweisstrasse 3 Planegg, Germany Phone: +49 89 3249 3670 Fax: +49  
89 3249 36766. Imprint and ...

Electrochaea has completed the engineering for the first standardized 10 MWe biomethanation plant designed  
for commercial operation. A 10 MWe plant can produce several million cubic meters of renewable synthetic  
methane per year that replaces any use of fossil natural gas. ... Electrochaea GmbH Semmelweisstrasse 3  
Planegg, Germany Phone: +49 89 ...

Klimatechnologie Start-up Electrochaea sammelt 36 Millionen Euro f&#252;r kommerzielle  
Power-to-Gas-Anlage ein Das M&#252;nchener Unternehmen will Erdgas durch erneuerbares Methan  
ersetzen - und baut ...

February 20, 2019 - press release: Storengy pioneers power-to-gas market with investment in Electrochaea  
GmbH Press Releases. zoom view. February 4, 2019 - press release: Electrochaea wins Recognition on Global  
Cleantech 100 List Press Releases.

Sirius Venture Partners GmbH is a German venture capital company focusing on technological growth

markets. It concentrates on venture capital investments in companies from seed to early expansion phases with an outstanding growth potential through innovative technologies, products and business models. ... Electrochaea GmbH Semmelweisstrasse 3 ...
