

Who makes Era solar modules?

The manufacturers of Era Solar modules, Zhejiang Era Solar Technology Company, Ltd. is a Chinese company that was founded in January 2006.

What are Era solar panels?

All Era Solar modules come with an aluminium hollow-chamber frame on each side to support the panels. Era Solar offers two range of 5 MBB polycrystalline 60-cell solar panels, the ESPMC 270-290, with power ratings from 270W to 290W and the ESPMC 320-340 with maximum output power ratings from 320W to 340W and efficiency ratings of 16.5% to 17.7%.

How much power does a Era solar panel use?

Era Solar offers two panel types made from half-cut monocrystalline cells, the 120-cell ESPSHC 350-380 with power ratings from 350W to 380W and the 144-cell ESPSHC 425-450 with power ratings ranging from 425W to 450W and very impressive efficiency ratings from 19.2% to 20.7% Unboxing the ESPSHC 450W (Source: SolarKobo)

Are Era solar modules a good choice in Nigeria?

Era Solar modules are by far one of the staple brands of solar panel modules in Nigeria. Like most Chinese manufacturers, Era Solar is driven towards the mass market rather than the premium market. This means that they are a very cost-effective options for high-performance solar modules at standard or economy price.

Where is Era solar based?

As a leading solar light supplier in China, ranked among the top 5, we collaborate with prominent retailers such as Walmart. Currently, our market presence extends to countries including Germany, Italy, Spain, Norway, France, Austria, Saudi Arabia, Nigeria, Brazil, Yemen, Pakistan, and more. ERA Solar aims to empower the world with sunshine.

What is Era solar espse?

Era Solar ESPSC (Source @EraSolarWorld) Era Solar offers two panel types made from half-cut monocrystalline cells, the 120-cell ESPSHC 350-380 with power ratings from 350W to 380W and the 144-cell ESPSHC 425-450 with power ratings ranging from 425W to 450W and very impressive efficiency ratings from 19.2% to 20.7%
