

Mike is the founder and managing director of Energy Asia Group Pte Ltd. A specialist in tubular, he has amassed a wealth of experience over the years in identifying and sourcing tubular from decommissioned rigs, traders, brokers and drilling contractors.

Founded in 1989 by Mike Nandwani, Energy Asia Group Pte Ltd initially specialized in used tubulars, ranging from drill pipes to drill collars and heavyweight pipes, catering to the drilling requirements of contractors in the region. Today, Energy Asia Group has expanded its offerings to include oilfield equipment alongside tubulars.

Falkland Oil and Gas Limited, the London-based, Aim-listed exploration company, has sold a share in its licences to drill for oil around the Falkland Islands to Edison International, a subsidiary...
