The Prime Minister's Free Solar Panel Scheme was launched to offer farmers throughout the country free solar panels for irrigation in agriculture. The government's major purpose with this initiative is to minimise farmers' reliance on fuel and electric irrigation pumps and enhance their revenue by assisting them in the purchase of solar ...

The Pradhan Mantri Suryodaya Yojana is a scheme launched by the Indian government to promote the installation of rooftop solar panels in households. The scheme aims to install rooftop solar systems in one crore (10 million) homes across India.

Farmers receive a 60 per cent subsidy on the purchase of solar panels through the PM Free Solar Panel Yojana, with the farmer paying only 40 per cent of the total cost. To take advantage of the plan, farmers must first register on the scheme's official website, and only then will they be eligible for a subsidy on the purchase of a solar pump.
