CBS Power Solutions (Fiji) Pte Ltd, a leading provider of renewable energy solutions, has been recognized for its outstanding achievements with the prestigious Premier Medium Business Operating Internationally Award at the International Prime Minister's Business Awards.

Despite the high costs associated with importing fuel, a renewable energy industry has not really developed in Fiji. The reluctance of banks to provide lending for renewables is one key barrier. A World Bank project established a risk sharing fund to promote the use of renewable energy by facilitating equipment purchase.
