

Who is ESL?

ESL is a leader in the design & manufacturing of power distribution solutions, reefer outlets, manual transfer switches, shore & industrial power solutions.

What are ESL emergency power products?

ESL's Emergency Power products are engineered to provide safe and easy portable generator hook-up with cam-style connectors. ShowSwitch(TM) is ESL's Company Switch power distribution unit designed for entertainment venues. ESL's eTRUconnect (TM) provides safe utility shore power to electric or hybrid Transport Refrigeration Units (TRU's).

Why should you use ESL's shipyard products?

ESL's Shipyard products provide users with safe and simple operation in the most demanding shipyard and marine environments. ESL provides wayside operators with safe temporary plug-in power to passenger trains when locomotive engines have shut down or disconnect.
