1 review and 9 photos of Zero Grid Power Solutions "I called zerogrid power solutions for a quote. After a week they coordinated an appointment with both a zero grid sales person and a roofing salesperson. our Roof is 18 years old and we wanted to see what the roofer would say re solar panels attached to that age roof. The appointment was very informative.

OffGrid Power Solutions. Designed to meet off-grid power needs, our solar generators provide convenient mobile power where you need it, when you need it. These generators provide a renewable clean energy source that is more economical than traditional fossil fuel generators. OffGrid Systems. Applications. Go Solar.
