The new Solar Utility Pro from Seaward takes PV testing to the next level. With the introduction of more efficient 1500V modules and inverters, Seaward have answered the industry call for an ...

The Seward Solar Utility Pro - A 1500V 40A Solar PV string checker, Complete Kit! The new Solar Utility Pro from Seaward takes PV testing to the next level. With the introduction of more ...

The large internal storage memory can record up to 999 complete record sets, which can be downloaded as a CSV file to a PC for review. To make on site testing easier, the Solar Utility Pro is supplied with 1.5M long conversion leads that convert the standard MC4 leads to alligator clips - particularly useful in combiner boxes and junction boxes.

The new Solar Utility Pro from Seaward takes PV testing to the next level. With the introduction of more efficient 1500V modules and inverters, Seaward have answered the industry call for an easy to use and robust tester with 1500V capabilities.
