Hausstrom tubular batteries are designed to deliver consistent and reliable power every time. their plates are engineered to provide higher efficiency while maximizing battery life, which also ensures that the tubular battery price stays competitive.

Unique tubular/flat positive plates that are designed for longer life. Less corrosion and high life that leads to excellent performance. Supertuff Grid Technology. Suitability for frequent power cuts. Eco-friendly aqua trap vent plugs to ensure no acid fume. The superior active material for best performance. Special alloy for low maintenance of ...

HAUSTROM Tubular Battery; Tubular Battery Technology for Long Cycle Life; High Capacity: 240Ah 12V for Extended Power Backup; Electrolyte contains special additives to get quick recovery from deep discharge; Excellent charge acceptance; Float indicators to check the acid level; Microprocessor controlled (rolled) curing; High rate discharge tested

Built to Endure: Robust construction and superior tubular plates guarantee long battery life and dependable deep cycle performance. Perfect for Solar Systems: This battery seamlessly integrates with solar setups, allowing you to maximize clean energy potential and embrace a sustainable future.

Why Choose the Haustrom 220Ah Tubular Battery? Unmatched Dependability: Haustrom's innovative design ensures consistent power delivery, keeping your appliances running smoothly during outages. Built to Endure: Robust construction and superior tubular plates guarantee long battery life and dependable deep cycle performance.
