The EnerSys® PowerSafe SBS40 battery from Specialist Power Systems continues to offer unrivalled choice and performance in compact and energy dense configurations. The PowerSafe SBS40 is manufactured to the highest international standards and ideal for reliable use in all wireless and fixed-line communication applications.

Hawker® Maintenance Free Aircraft Batteries. Hawker® sealed lead acid batteries, manufactured by EnerSys, the global leader in energy storage solutions, have been at the forefront of innovation and technical excellence for more than 40 years.

PowerSafe SBS EON Technology(TM) batteries have been developed to provide high cycling and fast recharge performance in applications where the power supply is erratic. SBS-40 Battery Features and Benefits: Proven Long Service; ...

The original EnerSys PowerSafe SBS 40 Battery has a proven long service life and up to two year shelf life. It's compact size and high energy density make the PowerSafe SBS 40 a popular 12 volt power supply in competition vehicles.

PowerSafe SBS EON Technology(TM) batteries have been developed to provide high cycling and fast recharge performance in applications where the power supply is erratic. SBS-40 Battery Features and Benefits: Proven Long Service; High energy density; Up to two year shelf life; Very low ventilation requirement; Wide operating temperature range: -40 ...

Hawker EnerSys PowerSafe SBS 40 12V - 38Ah (10h) Maintenance-free sealed lead-acid batteries of the PowerSafe® SBS series are manufactured using the unique pure lead technology and offer performance unmatched by other batteries with ...

The PowerSafe™ SBS battery range utilizes unique and proven technology to provide a superior range of valve regulated batteries with an extended service life in compact and energy dense configurations. PowerSafe SBS batteries are manufactured to the highest international standards and are ideal for reliable use in all wireless and fixed-line ...

Hawker PowerSafe SBS40 - SBS-40 - SBS 40 wartungsfreie Bleibatterie . Nennspannung: 12V Nennkapazität: 38Ah Anschlußart: M6 M Abmessungen L x B x H (mm) 250 x 97 x 206mm

Gesamthe mit Kontakten 206mm Gewicht ...

This EnerSys Powersafe forklift battery is a reliable and high-quality option for your material handling needs. Designed for use in warehouse environments, this battery has a nonspillable ...

The EnerSys PowerSafe SBS series are maintenance-free sealed lead-acid batteries in the unique pure lead technology, thus offering highest performance with high energy density and compact design.

Die fortschrittliche Elektrodentechnologie der PowerSafe SBS Batterien erlaubt den Betrieb bei hohen Temperaturen und extremen Umgebungsbedingungen. Die spezielle Reinbleitechnologie und das einzigartige Herstellverfahren von EnerSys macht die PowerSafeSBS Batterien zur ersten Wahl, wenn robuste, verlässliche und langlebige Produkte ...
