

Helix Energy Solutions Inc., known as Cal Dive International prior to 2006, is an American oil and gas services company headquartered in Houston, Texas. The company is a global provider of offshore services in well intervention and ROV operations of new and existing oil and gas fields.

Helix Energy Solutions Group, Inc.'s ratings reflect its low leverage, strong liquidity and focus on production-related services within the oilfield services industry. These strengths are offset by the inherent volatility of oil and gas activity and the relatively small scale of ...

Helix Energy Solutions Group, Inc., an offshore energy services company, provides specialty services to the offshore energy industry primarily in Brazil, the Gulf of Mexico, North Sea, the Asia Pacific, and West Africa regions. The company operates through three segments: Well Intervention, Robotics, and Production Facilities.

Helix Energy Solutions is an international offshore energy services company, specializing in well intervention, robotics, and full-field decommissioning. We support the global energy transition by maximizing oil and gas production, decommissioning aging fields, and advancing renewable energy initiatives.

Helix Energy Solutions Group, Inc. is an international offshore energy company. It focuses on subsea construction, maintenance and salvage services to the offshore natural gas and oil industry. The firm also provides specialty services to the offshore energy industry, with a focus on well intervention and robotics operations.

Letter to Our Stakeholders As the Chief Executive Officer of Helix Energy Solutions Group for over three decades, I have personally witnessed and directed the evolution of Helix from our predecessor Cal-Dive as an offshore diving services company to a multi-faceted energy services company supporting energy transition.
