

House photovoltaic panel installation contract

Should homeowners pay for solar panels upfront?

Homeowners who pay for their panels upfront with cash, or through a solar loan, will see something different than someone who signs a solar lease or solar power purchase agreement (PPA). While solar contracts will differ by provider and project, most of them contain a certain amount of shared verbiage and content.

Can a provider sell a photovoltaic system to a customer?

WHEREAS, Provider has offered, at his sole cost and expense, to install, maintain, own, replace, repair, and operate a photovoltaic system at one or more of the Property (ies) and to sell Solar Services (as hereafter defined) produced by the solar photovoltaic system to Customer as provided in and subject to the provisions of this Agreement.
