

What size is carry-on luggage?

Though you might find an inch or two of a difference with various airlines, the size limit for carry-on luggage is 22" x 14" x 9", which includes the handle and the wheels. A few domestic airlines, such as Frontier and Southwest, will allow 24-inch luggage as a carry-on.

How big should a carry-on bag be?

There's no industry standard for sizes for carry-on luggage, with every airline assigning their own size and weight restrictions. If you want to purchase a carry-on bag that would be accepted by most airlines, then the most common maximum size would be 22 x 14 x 9 inches (56 x 36 x 23 cm), including handles and wheels.

Is there a weight limit on carry-on luggage?

Most major domestic airlines do not impose a weight limit on carry-on bags; however, several international airlines have weight restrictions for carry-on luggage and, in some cases, personal items. Carry-on vs. personal item: What's the difference?

How heavy can a cabin bag be?

Cabin bags, also called hand luggage or carry-on bags, are usually limited to around 10kg for economy airline passengers. It's always worth checking the airline's specific cabin bag rules before you fly though, as this limit can be less on some airlines, and substantially more on others.

How much weight can you carry on a plane?

It's always worth checking the airline's specific carry-on weight limit before you fly though, as this can be less on some airlines, and substantially more on others. Most of the time, there is no stated limit, but the airline notes that passengers must be able to manage lifting their own bag into the overhead compartment. Are cabin bags weighed?

How big can a bag be on a plane?

Carry-on size limits vary by airline. Most U.S. carriers allow bags up to 22 x 14 x 9 inches, but international limits can differ significantly. Many airlines have a rule about maximum linear dimensions. That means that when you add a piece of luggage's length, width, and depth together, the sum can't exceed a specific number.

Alternatively, you can find sustainable items to pack, such as shampoo and soap bars, which won't count towards your liquid limit, or use whatever your hotel provides - many will give you soap and 2-in-1 shampoo ...
