

Who is solar & storage live Z&#252;rich?

Solar &Storage Live Z&#252;rich attracts a large local audience of installers,commercial and industrial users,property and landowners and utility companies. All eager to source solar and storage solutions to drive a change in their community.

Can Singapore make solar panels and battery energy storage systems in Indonesia?

Singapore-based developer Vena Energy says it will investigate opportunities to make solar panel components and battery energy storage systems in Indonesia, in order to support a hybrid megaproject with up to 2 GW of solar and more than 8 GWh of energy storage. From pv magazine Australia

Why should you attend a solar event in Indonesia?

As the only event dedicated to the enormous potential of solar, energy storage, and smart energy solutions to power Indonesia's future, we bring our expertise from running the largest renewable energy events in the Philippines, Vietnam, Thailand, Malaysia, and beyond.

Does Suntech have a presence in Indonesia?

For Suntech,the agreement builds upon an already established presence in Indonesia. The Chinese manufacturer is already operating a 500 MW capacity solar module factory in Batam. Suntech said it expects the collaboration with Vena would significantly increase that factory's capacity. This content is protected by copyright and may not be reused.

Is Indonesia a good place to invest in solar energy?

32.5 GW potential capacity for Indonesia's rooftop solar PV 260 GW capacity goal of solar energy by 2050 average of 4.8kWh/m2/day of solar irradiation that Indonesia receives daily,which is among the highest globally - makes it an ideal location for solar energy projects\$285 billion estimated investment value in renewable energy transition

As the only event dedicated to the enormous potential of solar, energy storage, and smart energy solutions to power Indonesia's future, we bring our expertise from running the largest renewable energy events in the Philippines, Vietnam, Thailand, Malaysia, and beyond.
