

Le partenaire pour vos travaux en Martinique. Nous vous informons sur les financements disponibles et facilitons la comparaison des devis pour optimiser votre budget. GENERAL

We, at SolarFeeds, have brought together nearly all the popular solar inverter wholesalers, who offer a large number of inverters at much cheaper pricing compared to the retail market. We are a multiple wholesale vendor e-commerce marketplaces, and our main objective is to connect solar installers with manufacturers/suppliers.

Martinique has more than 380,000 inhabitants who will benefit from a stable and constant electricity network even when there are very high consumption peaks. For the Madi project, Jema has supplied a total of 12 smart, bi-directional inverters with a grid regulation system that allows the energy supply to be met throughout the day.

Mobile inverters are like regular inverters. They convert direct current into AC for domestic use. All the household appliances work on AC but the power generated from the Solar Panels is DC.
