

Who makes control equipment in Iran?

In the 2004, Iran's control industry was completely dependent on foreign countries, today MECO is proud to have broken the import monopoly and is the number 1 manufacturer of control equipment in Iran.

What equipment does Iran manufacture?

Iran manufactures 60-70% of its industrial equipment domestically, including various turbines, pumps, catalysts, refineries, oil tankers, drilling rigs, offshore platforms, towers, pipes, and exploration instruments.

Does Iran use natural gas?

In the 1980s, Iran began to replace oil, coal, charcoal, and other fossil-fuel energy sources with natural gas, which is environmentally safer. The share of natural gas in Iranian household energy consumption, which averaged 54 percent in 2004, was projected to increase to 69 percent by 2009.

Does Iran have a petrochemical industry?

Iran's petrochemical industries have absorbed a large amount of private and public investment. In the early 2000s, 43 percent of these investments was financed by Iran's National Petrochemical Company, a subsidiary of the Ministry of Petroleum, which administers the entire petrochemical sector.

Why is Iran a major exporter of petroleum products?

As of 2011 Iran is a net exporter of petroleum products thanks to large exports of residual fuel oil, but the refineries cannot meet domestic demand for lighter distillates such as gasoline.

Does Iran have a gas refinery?

Iran is able to produce all the parts needed for its gas refineries. Iran is now the third country in the world to have developed gas to liquids (GTL) technology. In the 1980s, Iran began to replace oil, coal, charcoal, and other fossil-fuel energy sources with natural gas, which is environmentally safer.

Residential window tint adds sun control and privacy without sacrificing style. 3M Window Films are some of the best window films for reducing hot spots and glare while also yielding energy savings and UV protection. Home window tinting reduces fading and provides UV protection. 3M safety films improve window safety from attempted break-ins and ...
