The FranklinWH smartphone app,available on iOS and Android,allows you to monitor and control your Franklin Home Power system anytime,anywhere. You can select from various available energy-saving consumption modes.

Does Franklin home power have a 12-year warranty?

Using extremely safe LFP battery,the Franklin battery system is safe and reliable with a 12-year warranty. With a 13.6 kWh storage per aPower,Franklin Home Power is expandable to 204 kWh storage per aGate,which is flexible to meet different household energy needs.

Franklin Battery Backup System for Home. The Franklin Battery, also known as the Franklin aPower, is another popular option for home energy storage. Here's what makes it stand out: Energy Storage Capacity of 13.6 kWh-allowing homes to stay powered for a similar duration during outages to the Powerwall 3.

The integration of a whole home system facilitates a seamless transition between various power sources.

When solar energy production is insufficient, the battery system kicks in to supply stored power. In situations where the battery charge is low, the generator can take over, ensuring a continuous and reliable power supply.

SPAN Panel is a smart electrical panel designed to modernize your home energy system by completely replacing your existing panel. With SPAN, you can control and monitor every circuit in your home from a smartphone or tablet, ...

FranklinWH's battery technology is similar to other rechargeable batteries: as time goes on, the battery loses some of its ability to hold a charge. Think of how the battery life of a brand-new smartphone compares to one that is a few years old. As you continually charge and drain your phone's battery, it loses some of its ability to hold a charge.
