

Is Hanergy a Chinese company?

Hanergy Holding Group Ltd. (Hanergy) is a Chinese multinational company headquartered in Beijing. The company is focusing on thin-film solar value chain, including manufacturing and solar parks development. It also owns the Jinanqiao Hydroelectric Power Station and two wind farms. Hanergy is founded and controlled by Li Hejun.

Does Hanergy sell solar panels?

In September 2012, Hanergy reached an agreement with IKEA to distribute copper indium gallium selenide solar small-scale rooftop photovoltaic systems ("residential kits") in the United Kingdom, expanding into the Netherlands and Switzerland in the following two years.

Will Hanergy be able to build solar-powered vehicles and garments?

Hanergy's plans for solar-powered vehicles and solar-powered garments largely draw on different technology developed by the US-based developers in which it has invested. Earlier this year, Hanergy agreed to establish a joint lab with bike sharing start-up Mobike, to research the use of thin film solar on bicycles.

Why did Hanergy buy out Hong Kong shares?

Chinese thin-film solar maker Hanergy has declared it will buy out its frozen Hong Kong shares and relist itself in mainland China, three years after its trading suspension presaged a crash in the Chinese stock market. Hanergy's decision comes after years of unsuccessful attempts to persuade regulators to allow it to resume trading in Hong Kong.

Who owns Hanergy holding group?

Hanergy is founded and controlled by Li Hejun. Hanergy was founded in September 1989 by Li Hejun, under the name Yuancheng Pulisen Investment Co., Ltd. It changed its name to Hetaihe Economic and Trade Development Co., Ltd. and then Huarui Group, before settling on Hanergy Holding Group in August 2008. [citation needed]
