

Are home solar panels a good idea?

Home solar panels can help some households save money on energy-- but be careful if a solar panel salesperson knocks on your door or calls without warning. There are plenty of reputable companies who can install solar panels or help you make other clean energy improvements to your home.

Are you getting ripped off when buying solar panels?

Solar is expensive, no matter how you shake it. And savings sound nice, but if you get stuck with an overpriced solar panel system that's underperforming, you're going to save much less. That's why we put together these tips to avoid getting ripped off when buying solar panels -- backed by expert advice.

Do I need a solar panel if I'm getting a tax credit?

A solar salesperson may warn you that you need to have solar panels installed right away, as the solar tax credit system is close to being discontinued and you won't get that government check if you wait. First of all, this is a complete fabrication.

How do I avoid a crappy solar panel deal?

To avoid a crappy solar panel deal, watch out for these scammy sales tactics. Dealing with door-to-door salespeople is annoying, no matter what they're selling. But the solar industry is full of bad actors, with solar salespeople knocking at your door with misleading offers and overpromised savings.

What if a solar installation is not a good idea?

Unscrupulous solar companies may employ aggressive or dishonest sales tactics to close deals quickly, especially if the proposed solar installation isn't in your best interest. These tactics can include: Be cautious of any salesperson who uses these tactics or seems unwilling to provide detailed information about the proposed solar system.

How many complaints have been filed with BBB about solar energy companies?

People filed roughly 13,000 complaints with BBB last year about solar energy companies including contractors, equipment dealers and installers. The St. Louis Consumer Fraud Task Force warned about misleading solar sales last year. Remember: Well-intentioned companies will give you time to consider their offer.
