

How do I choose the best solar lighting?

No matter where you want to incorporate solar lighting, there's a light on the market to suit your taste. For a more high-tech lighting solution, consider opting for motion-activated lights or ones that glow in a flickering pattern like candles.

Are solar-powered porch lights a good idea?

A solar-powered porch light can come in many shapes and forms. Aside from modern solar lights, these cheap solar lights can come in a vintage form. You can illuminate your porch using solar power and save energy and cost. Affordable and reliable, these porch lights are an inexpensive way to provide bright illumination.

Do outdoor solar lights need an outlet?

All outdoor solar lights need is a sunny spot to charge--no outdoor outlets, wiring, or extension cables required. Since the lights don't need to plug into an outlet, placement is also more flexible. Outdoor solar lights can go just about anywhere as long as the solar panel receives enough sunshine.

Are solar-powered deck lights a good idea?

There are lots of solar-powered deck lights from popular manufacturers--allowing homeowners to gain a gorgeous and soft glow without any wiring. Knowing that wires do not look good on stairs and walls, this type of lighting is the perfect type of fixtures for long-lasting solar LED technology.

How do solar outdoor lights work?

All solar outdoor lights draw power from the sun during daylight hours and store that power in a battery, or batteries, housed inside the lights. When the sun sets, the lights use that stored power to produce light. Some models come on automatically at dusk, and some can or must be turned on manually.

Do solar lights need to be plugged into an outlet?

Since the lights don't need to plug into an outlet, placement is also more flexible. Outdoor solar lights can go just about anywhere as long as the solar panel receives enough sunshine. Since solar lights are powered by the sun, these self-sufficient lights are eco-friendly and won't add a single cent to your electric bill.
