The new InfiniSolar Three-Phase 10kVA Hybrid Inverter is a flexible and intelligent hybrid inverter that uses solar power, public grid and a battery bank to continuously provide power. It is a simple and intelligent solar energy system with storage for home users, allowing to conserve battery power for night use or use directly to energy from a ...

Built-in MPPT 50A solar charge controller; New SUB working mode (Solar-Utility-Battery working mode) for 4K-5K series. Combining solar system, AC utility, and battery power source to supply continuous power. Overload, short circuit and Deep discharge protection; Cold start function; Support USB, RS485 monitoring function with free CD.

The AXPERT EX 1.5K-12 inverter is a testament to this commitment, providing a blend of performance, reliability, and advanced technology, From Tekcom Enterprises Nairobi, Kenya. The Best Mecer InfiniSolar 3KW On-grid Inverter with Energy Storage Dealer in Nairobi Kenya. Call 0799416955 To Order

Jiji .ke(TM) The Infini Solar 5KVA Hybrid is a high-frequency inverter with an integrated MPPT charge controller, boasting a capacity of 5000VA/5000W. Operating at 48V with an 80A charge current and accepting up to 145VDC input, it efficiently harnesses solar power.
