

Our subsidiary Mashriq Energy Consulting (MEC) provides consultations on the feasibility of renewable energy (RE) projects throughout the MENA region. Whether wind, geothermal, ...

In a bid to curtail energy expenses and contribute to environmental conservation, Forma SHPK made an investment in solar panels through a loan facilitated by the EBRD's Kosovo SME ...

This will be the first large-scale solar photovoltaic plant in Kosovo and will increase installed capacities tenfold from 10.1 MW to 110.1 MW. As a result, the share of solar power in the energy mix of Kosovo will increase from 0.2% to 2.3%. The plant is expected to produce around 152 GWh of electricity and save 152,000 tonnes of CO2 annually.

Mashriq Energy is a quality-oriented international company providing turnkey solar photovoltaic solutions. We are on a mission to accelerate the transition to renewable energy by providing professional energy consulting services, industrial (EPC) services, and increasing public energy literacy and awareness.

To support the green transition in Kosovo*, the European Investment Bank (EIB) has signed a EUR33 million investment loan for the construction one of its largest solar photovoltaic plants near Pristina - with a capacity of up to 100 MWac (120MWp).

Programme.

DT Global is proud to help Kosovo on its path to sustainable energy. As Afrim Sylja, Managing Partner at Elen--a solar energy company--says, "alternative energy [...] is the future; it is cheaper, safer, and healthier." See USAID's video for more on how solar is transforming Kosovo's energy sector.
