

Longi photovoltaic panel component price inquiry

What is Longi high-efficiency solar module?

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a leading manufacturer and brand in the export and installation of monocrystalline silicon solar photovoltaic module.

Where are Longi products made?

Once again. LONGi has laid out several manufacturing bases in China, Vietnam, Malaysia and other countries and regions, and branches in the United States, Japan, India, Australia, Thailand, the United Arab Emirates and other countries, with businesses in more than 150 countries and regions.

What is Longi's life-cycle quality approach?

Customer value is at the core of LONGi's philosophy, and our life-cycle quality approach can be found in every link of product production and application from component design to mass production and after-sales support, to ensure the highest quality, reliability and performance for our customers.

When will Longi bifacial module be released?

By Nov. 2020, the cumulated shipment of LONGi bifacial module reached 10GW, leading the development of bifacial technology in the industry. In May 2019, LONGi released Hi-MO 4, the bifacial half-cell module using M6 (166mm) standard wafer. By the end of Nov 2020, the shipment of Hi-MO 4 has reached over 16GW.

As a major photovoltaic manufacturer, LONGi strives to improve the efficiency of electricity to facilitate the energy transition of China, while exploring its own green low-carbon ...

Minneapolis, May 7, 2024 - LONGi, a global leader in solar technology, announced the launch of its latest module, Hi-MO 5 Ice-Shield, specifically designed for durability and reliability in the ...

Longi Solar is a leading manufacturer of reliable, technologically advanced, value-based monocrystalline solar panels. Established in 2000, the company is headquartered in China; where they continually ...

1 ??· The province is home to Jinko Solar, one of the top Chinese solar panel manufacturers. Zhejiang's manufacturers excel in producing a range of solar products with competitive solar ...

China Longi Solar Panel catalog of Tier1 Longi 440W 450W Solar Panel From Original Factory A Grade Solar Module, Longi High Power Output 455W Tier 1 Solar Panel provided by China manufacturer - Hefei Pinergy Solar Technology ...

Longi photovoltaic panel component price inquiry

LONGi Solar was founded in February 2000 as Xi'an LONGi Silicon Materials Corporation. The company's initial focus was on the development and production of single crystal (mono) silicon wafers that are used in many of major solar ...

Inquiry Basket. Lightweight ... Longi Solar Panel Price Hi Mo X6 Anti-Dust Stocked Lr5-66hth 520-540W Solar Panels with 540W Solar Module. ... Longi 550W to 650W Solar Photovoltaic Panel ...

Buy Jinko 560watt Mono Solar Panel online from authorized dealers at best price in Pakistan. Get genuine Jinko 550watt Mono Solar Panel products at w11stop with free cash on delivery ...

High efficiency modules supplied by LONGi have been applied widely across the globe from grassland on high lands, deserts, water ponds to households. The solar modules benefit customers and local economies with high value ...
