

What solar panels does Longi offer?

What solar panel modules does LONGi offer? LONGi offers four main module series, the Hi-MO 7, Hi-MO X6, Hi-MO 5, and Hi-MO 5m-- but only the Hi-MO 5m Series offers panels for residential use. Bifacial solar panels are not practical for residential installations but have gained popularity in commercial applications over the past few years.

Why are Longi panels better than mono panels?

By treating their PERC cells to reduce light-induced degradation, Longi panels offer a better lifetime yield than standard mono panels. Midsummer are proud to be an Authorised Distributor of Longi products for Europe.

What is Longi's life-cycle quality approach?

Customer value is at the core of LONGi's philosophy, and our life-cycle quality approach can be found in every link of product production and application from component design to mass production and after-sales support, to ensure the highest quality, reliability and performance for our customers.
