Who is Magna fuel tank?

Magna is an independent, global leader in the automotive sector, and a key partner for a wide range of OEMs. We have decades of experience producing fuel tank systems at high volumes, and we make sure our customers get the benefit of that experience.

Why should you choose Magna for your fuel tank system?

Magna are experts in fuel tank systems and filler pipe technologies, regardless of whether they are plastic or metal. Magna also produces many of the components required to manufacture filler pipes, so we can find design solutions that provide optimum performance and the highest levels of safety.

What makes Magna a great tank mounting system?

Magna has developed a sophisticated mounting system that makes the most of the available tank space. Our new solution requires a fraction of the number of parts used in traditional systems, and removes the need for L-shaped brackets, rubber supports and straps.

Does Magna manufacture fuel tank caps?

As well as fuel tank systems, Magna also develops and manufactures the associated caps and components. Our range encompasses filler, urea, oil and radiator caps. Our reliable products meet the toughest safety and environmental standards, at the same time as providing maximum ease-of-use for the driver.
