

Invest in solar panels to benefit from no energy bills with the highest quality panels in Malta including 25 year warranty and installments. Contact us to find out how you can benefit from the government scheme in Malta.

At Solar Solutions Ltd, we can assist in the design and implementation of both on-grid and off-grid photovoltaic (PV) systems. Working with quality suppliers, our aim is to ensure that our clients are provided with a system that is best suited to their unique needs.

Oskomera Solar Power Solutions is a leading solar system integrator . We deliver three types of business proposition: 1. Large scale and complex pv projects; 2. Distribution of pv products; 3. Performance based O&M services for solar assets. OSPs dedicated team consists of an impressive mix of backgrounds, disciplines and performances.

Oskomera focuses on projects in Europe and the Netherlands Antilles. Moreover, in recent years we have specialised in projects geared to the generation of solar power, which involves an intensive environmental policy within the company that is based on a number of core aspects including waste management, energy savings and power generation.

At the forefront of the renewable energy sector in Malta, Solar Solutions was set up in 2005 by individuals with a passion for sustainability. Our unwavering commitment has enabled numerous households and businesses to adopt solar power, creating a positive environmental impact through harnessing the sun's energy.
