

RCT Power storage systems offer a particularly efficient storage solution for residential photovoltaic systems. The modular design is suitable for use with new as well as retrofitting of existing PV systems. The components of the power storage systems are a battery, a battery inverter and a sensor.

Die RCT Power Speichersysteme sind eine besonders effiziente Speicherlösung für Photovoltaikanlagen. Durch den modularen Aufbau eignen sie sich sowohl für Neuanlagen als auch zur Nachrüstung von vorhandenen Solaranlagen. ...

Présentation de la plateforme B2B au Maroc vous donnant accès à l'information légale et financière sur les entreprises marocaines et internationales. Charika.ma propose différents services : rapports d'entreprise, surveillance, comportement de paiement, centrale des défauts de paiement, recouvrement amiable et journal d'annonces légales.

RCT Power is a technology leader in stationary storage solutions for domestic and industrial use. The brand has its origin in the city of Konstanz, Germany. Here we have assembled an experienced team of experts in the field of power electronics.

Storage systems designed by RCT Power make intelligent use of solar energy and enable home owners to become independent from power suppliers. RCT Power is one of the few companies that develops inverters and battery storage systems in house. Our systems are fine tuned for optimal performance.
