

multeps solar inc. is a federal corporation in Aurora, Ontario incorporated with Corporations Canada, a division of Innovation, Science and Economic Development (ISED) Canada. The ...

Testimonials from diverse locales in Spain reflect the company's capacity to deliver excellence, ensuring each solar panel--whether in Altea or La Nucia--functions as a tiny powerhouse, contributing to a global green grid.

multeps solar inc. is a federal corporation in Aurora, Ontario incorporated with Corporations Canada, a division of Innovation, Science and Economic Development (ISED) Canada. The entity was incorporated on February 11, 2014 with corporation #8786208.

Over the past 12 years we mostly focused on Photovoltaic Solar Energy projects design and installation. We can proudly say that we have become experts in the field of Solar Energy Systems engineering, procurement, and construction.

We take great pride in our work and are deeply passionate about harnessing solar power - an inherently clean and abundant source of energy at our disposal. Whether you are considering the installation, re-installation, or servicing of your existing project, you have arrived at ...
