Convert to WSOL/SOL: Allows back and forth conversion between the two. Trading with WSOL is recommended as it is slightly faster then regular SOL transactions. If you decide to do this, be sure to save some SOL to pay for gas fees. ...

I came to Taiwan after spending a year in Australia on a work visa holiday. My friend who was in Taiwan at time suggested popping over on my way back home to Canada to check it out. I came for 4 months and it turned into 27 years and counting now. So it was really a friend's recommendation more than anything else.

Hey - To cash out your Solana (SOL) held in your Ledger, you can use the Swap feature in Ledger Live to exchange your SOL for a stablecoin like USDT Tether, which can then be exchanged for fiat currency on a cryptocurrency exchange that supports fiat withdrawals. You can also send your SOL directly to an exchange and sell from there.
